St. Bernard Mining Co. (St. Charles Mines)	163,180.00
St. Bernard Total	1,129,985.00
Victoria Coal Co.	152,536.38
Total Output for County	2,953,567.13

The above table gives the first published statement of coal output of Hopkins county for the year 1907, having been compiled for the Bee in the office of the Chief Mine Inspector of Kentucky, at Lexington.

Compared with the output for the year 1906, there is a slight falling off in tonnage, but the difference is insignificant in consideration of the great industrial depression that was felt during the latter part of last year and of the very mild winter months

which called for the minimum of fuel for domestic heating purposes. The decrease for the year was only 148,379 tons from the banner year of 1906, during which 212,372 tons over the previous year had been produced.

Chief among the mines showing any considerable gain for 1907 are the following: St. Bernard No. 9, 15,077 tons; St. Bernard No. 11, 21,728 tons; Daniel Boone, 20,201 tons; Victoria, 12,989 tons. Most of the other mines show decreases in tonnage for the year.

Local Happenings

Mrs. Robt. Ware, of Hanson, is visiting her mother here this week.

It is worth 25c in money to read Barnes, Cowand & Co.'s ad in this issue.

The house of Mrs. H. B. Rosser on Methodist Hill, is nearing completion, and will soon be ready to occupy.

Take pride in your town, clean up your yards, and alleys, and use plenty of lime and thus avoid sickness.

If you want \$1.00 worth of goods for 75c, out out the ad of Barnes, Cowand & Co. on another page and take it to them.

The interior painting of the colored school is nearly finished and Painter Brown has certainly put up a first-class job.

Earlington is well supplied with ice wagons, there being five running every day and all seem to be doing business.

The ball game Saturday between Earlington and St. Charles resulted in a victory for Earlington by a score of 15 to 12.

Mr. Frank Gordon, who has been laid up with a sprained shoulder, will soon be able to resume duties at the round house.

Mr. Jas. Lester has commenced the erection of a frame house west of the livery stable which will be used for a watch repairing shop.

In celebrating her birthday Thursday, May 14, Mrs. W. B. Vinson entertained a few friends at her home on Railroad street. Music was furnished by Davis Brothers, Grayson and Wyatt, after which cream, berries and cake were served. After refreshments a few games were played.

MANY INJURED IN CLEVELAND

STRIKING CARMEN OPEN FIRE ON CREWS AND GUARDS.

LITTLE GIRL IS DECAPITATED

Death Was Said to Be Due to the inexperienced Motorman Being Unable to Control His Car Properly.

Cleveland, O., May 20.—The most serious violence of the street car strike occurred in Lakewood, a suburb of this city, Tuesday night, when four men were wounded by bullets, one car burned and another partly wrecked. Trouble had been anticipated, and the first car run into Lakewood on the Clifton avenue line carried no passengers.

When it stopped before a railway bridge, a crowd, which had been lying in wait, leaped from behind the bridge and opened fire on the crew and the guards. W. J. James and Swanto, guards, returned the fire. Several shots were exchanged.

Second Car Is Wounded. While the shooting was in progress the crowd grew to nearly a thousand. Another car arrived and its crew and guards joined in the fight. Gasoline was poured upon the second car and it burned to the trucks. The Cleveland police were notified and 60 officers were sent to the rescue. The first car, riddled with bullets, and windows broken, proceeded to the car barn.

Motorman P. C. Elsholtz was shot in the legs, John Gray and George Alexander, guards on the second car, were shot in the chest. Mace Burlingame, who was in the crowd which made the attack, was shot in the hand.

All were taken to a hospital, where they are reported to be seriously wounded.

Little Girl Killed. An earlier disturbance occurred in the downtown district, when Yetta Wolkinson, a little girl, was killed by a Woodland avenue car, while she was attempting to cross the street. Her death was said to be due to the inexperienced motorman being unable to control the car. As soon as he realized what had occurred, he speeded the car several blocks ahead, where the police were notified.

The conductor had left the car and sought refuge in a nearby drug store. The crowd attempted to reach him, while others attempted to catch the fleeing car and assault the motorman. The police arrived just in time to save the conductor, at whom the mob was yelling "lynch him, lynch him."

Head and Body Separated. The girl's head had been severed from her body. By mistake, two morgue keepers had been called. When their dead wagons arrived, one took the girl's head and the other her body.

The frantic parents of the girl excitedly trying to obtain possession of the severed parts of the body. Infamed the mob spirit and more serious trouble was narrowly averted by the police.

Sheriff to Aid Police. At midnight the police had reports of a dozen or more cars being partially damaged by the explosion of what they term railroad torpedoes. So far as known, no one had been seriously injured.

A bomb was reported to have been found in a Wade Park avenue car as it passed along Superior avenue in the business section.

Altogether, 17 persons are said to have received minor injuries during the day and night as the result of encounters between strikers, street car employees and the police.

To aid the police of the suburbs in the protection of cars, Sheriff McGorray has made arrangements for the employment of 200 deputies.

CHILDREN TO WATCH POLICE.

New York Inspector Appoints Deputies to Help Keep Tab.

New York, May 20.—Inspector Miles O'Reilly has appointed all the pupils of public school No. 72 in East New York police sergeants. He has asked them to watch the patrolmen and report any misconduct.

The other day O'Reilly dropped into the school and explained his plan. "I want the co-operation of you children to increase the discipline of my men," he said.

Whenever the children see a policeman enter or leave a saloon or store they are to take down his number and forward it with a description of the circumstances to the inspector. The patrolmen are not a bit pleased over O'Reilly's latest plan for keeping tab on them.

Bank Cashier a Suicide.

Jefferson City, Mo., May 20.—Secretary of State Swanger received a telegram from W. I. Woods, president of the Bank of Lucerne, advising that the cashier of the bank, J. E. Moore, shot and killed himself Tuesday afternoon and requesting that a bank examiner be sent at once to investigate the institution. No particulars beyond this dispatch were received here.

ALLEGED STRIKE IS DECLARED OFF

Traveling Cards Issued at the St. Charles Meeting of Union Miners.

ANNOUNCEMENT THAT NO MORE FREE SUPPLIES TO BE DISTRIBUTED

St. Charles, Ky., (Special).—At a meeting of members of the United Mine Workers of America held here today, announcement was made by an organizer named Pollock that transfer cards could be had and the members were invited to accept them and go to other fields in search of work. It was stated that no more free supplies would be distributed to the idle men or their families and that the alleged strike was off. Some of those present took the cards offered. Others left the meeting in anger and refused to accept the cards offered. The plan has been to issue no cards while men and their families were being fed from the union supplies. Now that the supplies are to be stopped the cards are offered.

RECEIVED JUDGMENT FOR \$7,000.00

Does Harry Brown for Injuries Received While in Employ of L. & N.

SECOND TIME TO RECEIVE JUDGMENT.

Harry Brown last Friday received judgment against the L. & N. Railroad for \$7,000 for injuries of a permanent character received in a wreck at Victoria mines about three years ago.

Mr. Brown received a judgment for \$10,000 at a former trial, but the decision was reversed by the court of appeals. It is not thought that an appeal will be taken, or that another trial will be asked.

Sypert & Phillips represented Mr. Brown and Waddell & Dempsey the railroad company.
